

Tree Dedication Program

As a Tree City Community, dedicating a tree in Highland Park is the perfect way to honor or remember a significant person in your life.

Make a special dedication while enriching our community!

- A plaque marking your dedication will be placed on an existing Borough tree in the community (using expandable wire)
- Trees will be monitored to ensure their continued health
- A portion of the dedication funds will go to the HP Tree Fund and HP Gives a Hoot
- **Your dedication will be a part of Highland Park history!**
