a. Except as to the prohibition against cruising, the provisions of this Section are applicable to the engaging of wreckers by the Borough Police Department either on its own initiative or at the request of owners, drivers, or lessees of vehicles requiring the service of wreckers.

b. Nothing in this Section shall prevent the owner, lessee, agent or driver of a vehicle which is disabled, from calling a wrecker of his/her choice to remove his/her vehicle provided there is no obstruction of traffic or public right-of-way, or unless a police officer at the scene determines that the wrecker cannot arrive at the scene within the time limits specified in Subsection 407.7.D. and the safety of persons or motorists may be jeopardized thereby. Charges for such service shall be such rate as is agreed upon between the owner, lessee, agent or driver and the wrecker selected.

§ 407-17. Police Powers. The Police Department shall have the power to require wreckers to remove vehicles immediately where:

- A. There is obstruction of public right-of-way or private property.
- B. A vehicle has been vandalized or presents a fire or safety hazard or an attractive nuisance.
- C. An abandoned vehicle bears no discernible registration or identification data.
- D. An abandoned vehicle is not licensed or operable.
- E. A vehicle is reasonably believed to have been involved in the commission of a public offense.
- F. A vehicle is violating any emergency, or "no parking" provisions as set forth in Chapter VII Traffic.
- G. A vehicle is violating Section 278-6 of this Code.
- H. Any other condition where permitted or required by law.
- I. The Chief of Police shall promulgate such rules, regulations and procedures, not inconsistent with this Chapter, as may be reasonable and necessary to carry out the provisions of this Chapter. Copies thereof shall be provided to all licensed tow operators and shall be made available to the public, along with copies of current fee schedules, during normal business hours. Failure to comply with applicable rules, regulations and procedures may be cause for evocation of a tow operator's license.
- J. The Chief of Police is hereby designated to enforce the provisions of this Chapter and any applicable rules and regulations.

§ 407-18. Borough Not to be Held Liable. Since the bailment of impounded vehicles is solely for the benefit of the public at large, the Borough, its agents or employees, shall assume no liability to owner of any such vehicles or any other party, arising out of the removal, impoundment and disposition of any vehicles pursuant to this Section and otherwise in accordance with law.

§ 407-19. Licenses Limited. It is hereby determined under the lawful exercise of the police power of the Borough that the public convenience and necessity require that the number of wreckers to be licensed with the Borough shall be limited to fifteen (15) because of the limited area of the Borough.

§ 407-20. Penalty. Any person who shall violate any of the provisions of this Section shall upon conviction be punished by a fine not less than twenty-five (\$25.00) dollars and not to exceed the penalty as established in Section 1-5 of this Code.

In addition, the Mayor and Council, after a hearing, may revoke or suspend any license issued hereunder or may refuse to renew any license previously issued hereunder for violation of any of the provisions of this Section.

§ 407-21. On Call Towing List.

- A. The Chief of Police shall maintain a list of those tow operators licensed by the Borough to respond to calls from the Borough Police Department. In order to be included on the on-call towing list, an applicant must meet all of the requirements of this Chapter.
- B. Calls to tow operators on the on-call list shall be made on a non-discriminatory rotating basis, pursuant to procedures established by the Chief of Police. Nothing herein shall prohibit the Chief of Police or his designee from calling a tow operator out of sequence or seeking the services of a tow operator not on the on-call list if the circumstances require specialized equipment or if the interests of public safety so require.
- C. The fees to be charged for towing and storage services shall be as set forth in Section 407-11. The Borough shall not be liable for the cost of any towing and/or storage services unless those services are performed on a municipal vehicle.
- D. **Inclusion on the on-call towing list shall be automatically revoked upon expiration or revocation of the tow operator's license. The Chief of Police may also suspend a licensed tow operator's inclusion on the on-call towing list for such period of time as he considers appropriate for violations of performance standards as set forth previously in this Chapter.**
- E. Nothing in this section shall prohibit a motorist or motor vehicle owner from summoning a tow operator of his or her own choosing, except that any Borough Police Officer at the scene of an incident requiring towing services shall be

responsible for making the final determination as to when towing shall take place and which tow operator shall be called.

- F. All vehicles towed at the request of the Borough must be removed to an approved storage facility unless the owner or operator of the vehicle specifically requests that it be towed to another destination. Any Borough Police Officer at the scene shall be responsible for making the final determination as to the towing destination.

- 2. This ordinance shall take effect upon its passage and publication as provided for by law.
