**BOROUGH OF HIGHLAND PARK
ORDINANCE NO. 22-2064**

AN ORDINANCE ESTABLISHING A PEDESTRIAN MALL ON SO. 3RD AVENUE
PURSUANT TO N.J.S.A. 40:56-65 ET SEQ. IN THE BOROUGH OF HIGHLAND PARK,
COUNTY OF MIDDLESEX, NEW JERSEY

WHEREAS, the Mayor and Borough Council desire to establish a Pedestrian Mall on a portion of So. 3rd Avenue at the signalized intersection of NJ Route 27 (Raritan Avenue) to a point approximately 150 feet south of the intersection to create a much-needed permanent public gathering space downtown; and

WHEREAS, the adopted 2021 Downtown Redevelopment Plan for Tracts A-D identifies So. 3rd Avenue as the preferred location for such a public space; and

WHEREAS, N.J.S.A. 40:56-65 authorizes the governing body of a municipality to limit the use of streets by private vehicles when such limitation is found to be in the public interest of the municipality and State, to be of benefit to adjoining properties and to be essential to the effective use of such streets for street purposes; and

WHEREAS, N.J.S.A. 40:56-65 further provides that the governing body of a municipality may adopt an ordinance in order to protect the public welfare and health and interests of the public in the safe and effective movement of persons and to preserve and enhance the function and appearance of the business districts of such a municipality; and

WHEREAS, pursuant to N.J.S.A. 40:56-66, a “pedestrian mall” or “pedestrian mall improvement” means any local improvement designed to be used primarily for the movement, safety, convenience and enjoyment of pedestrians, and a pedestrian mall improvement shall include but not be limited to pedestrian thoroughfares, perimeter parking, public seating, park areas, outdoor cafes, shelters, trees, flower plantings, sculpture, traffic signs, kiosks, fire hydrants, street lighting, ornamental signs, ornamental lights, trash receptacles, display cases, marquees, awnings, canopies, overhead radiant heating fixtures, underground radiant heating pipes and devices, walls bollards and chains and all such other fixtures, equipment, facilities and appurtenances which in the judgment of the governing body of the municipality will enhance the movement, safety, convenience and enjoyment of pedestrians and benefit the municipalities and adjoining properties; and

WHEREAS, in accordance with N.J.S.A. 40:56-68(a), the Borough Council finds that: (1) So. 3rd Avenue is not a part of any State highway, is located primarily in a business district, and is improved to its maximum feasible width with regard to adjoining buildings and improvements; (2) reasonably convenient alternate routes to other parts of the municipality and State exist for private vehicles; (3) continued unlimited use of So. 3rd Avenue or part thereof by private vehicles may constitute a hazard to the health and safety of pedestrians; (4) abutting properties can reasonably and adequately be provided with emergency vehicular services and receive and deliver merchandise and materials from other streets and alleys or by provisions for limited use of the streets by emergency vehicles and carriers of such merchandise and materials; and (5) it is in the

best interests of the municipality and the public and of benefit to adjacent properties to use such a street primarily for pedestrian purposes, and that pedestrian use is determined to be the highest and best use of such street or part thereof; and

WHEREAS, in December 2021, CME Associates prepared a Traffic Evaluation Report for the Establishment of Permanent Closures on So. 3rd Avenue at NJ Route 27 (Raritan Avenue) and No. 4th Avenue at NJ Route 27 (Raritan Avenue) that found that the proposed permanent roadway closures can be implemented with continued efficient travel along the surrounding roadway network without adverse traffic impacts; and

WHEREAS, the Borough Council of the Borough of Highland Park finds it in the best interests of the Borough to establish a Pedestrian Mall as herein described.

NOW, THEREFORE BE IT ORDAINED by the Borough Council of the Borough of Highland Park, County of Middlesex, State of New Jersey, as follows:

1. Pursuant to N.J.S.A. 40:56-68a, the findings set forth in the Whereas clauses above are hereby incorporated into this Ordinance.
2. Pursuant to the findings set forth above and formal approval from the New Jersey Department of Transportation, the portion of So. 3rd Avenue at the signalized intersection of NJ Route 27 (Raritan Avenue) to a point approximately 150 feet south of the intersection as depicted in a plan on file with the Borough Clerk and is hereby designated as a Pedestrian Mall pursuant to N.J.S.A. 40:56-65 et seq.
3. The use of the surface of the above-described portions of So. 3rd Avenue shall be limited at all times to pedestrians and also emergency, public works and other maintenance and services vehicles as required.
4. Under the direction of the Borough Council, the Pedestrian Mall may be used for any purpose or activity that will enhance the movement, safety, convenience, or enjoyment of pedestrians as authorized by N.J.S.A. 40:56-77.
5. The Borough Administrator or his or her designee shall provide for the control and regulation of the issuance of permits to conduct any special activities or operations consistent with the broad purpose of the Mall as well as the regulation of a limited amount of local vehicular traffic in order to allow for deliveries to be used directly or indirectly by a business and/or residence along the Pedestrian Mall during such hours and days which will not interfere with the use of the Pedestrian Mall by pedestrians and other authorized vehicles in accordance with the requirements of N.J.S.A. 40:56-69d.
6. As more specifically set forth in N.J.S.A. 40:56-75, the Borough shall retain its police and other rights and powers relating to the street constituting the pedestrian mall. No such action shall be interpreted or construed to be a vacation, in whole or in part, of any municipal street or part thereof, it being intended that the establishment of a pedestrian mall is a matter of a regulation only. This ordinance shall not prevent the

Borough from abandoning the operation of the pedestrian mall, changing the extent of the pedestrian mall, supplementing or amending the description to be specially assessed or taxed for annual costs of the pedestrian mall, or changing or repealing any limitations on the use of the pedestrian mall streets by private vehicles or any plan, rules or regulations adopted for the operation of a pedestrian mall.

7. The Borough Clerk shall publish this ordinance in the manner required by N.J.S.A. 40:49-2, except that after same has been introduced and passed on first reading, as required by N.J.S.A. 40:56-71, the Borough Clerk shall at least ten (10) days prior to the time fixed for final passage, mail a copy of this ordinance, together with a notice of the introduction thereof and the date, time and place when this ordinance shall be considered for final passage to the owners of the lots or parcels of land abutting or directly affected by the proposed pedestrian mall.
8. SEVERABILITY. If any paragraph, section, subsection, sentence, sentence clause, phrase or portion of this ordinance is for any reason held invalid or unconstitutional by any court or administrative agency of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision of such holding shall not affect the validity of the remaining paragraphs or sections hereof.
9. INCONSISTENCY. All ordinances or parts of ordinances inconsistent with this ordinance are hereby repealed to the extent of such inconsistency.
10. EFFECTIVE DATE. This ordinance shall take effect upon final passage and publication according to law and upon formal approval from the NJ Department of Transportation.

WHEREAS, it is in the best interests of the residents of the Borough to amend the Borough Code at this time to require inspections for lead-based paint in residential rental dwellings to conform to and ensure compliance with this new State law;

NOW, THEREFORE, BE IT ORDAINED by the Mayor and Borough Council of the Borough of Highland Park, County of Middlesex, State of New Jersey, that the following amendment to Chapter 303 of the Borough Code, adding a new Article V entitled "Lead-Based Paint Inspection" is hereby enacted:

Section 1. Chapter 303 of the Borough Code is hereby amended as follows by the addition of a new Article V, entitled "Lead-Based Paint Inspection."

ARTICLE V, LEAD-BASED PAINT INSPECTIONS

A. Definitions. The following shall have the meaning as used in and in accordance with accordance with N.J.S.A. 52:27D-437.6 and N.J.A.C. 5:28A-1.1, et seq.

"Dust wipe sampling" means a sample collected by wiping a representative surface and tested, in accordance with a method approved by the United States Department of Housing and Urban Development (HUD) and as conducted pursuant to N.J.A.C. 5:28A-2.3.

"Dwelling" means a building containing a room or rooms, or suite, apartment, unit, or space that is rented and occupied, or intended to be rented and occupied, for sleeping and dwelling purposes by one or more persons.

“Dwelling unit” means a unit within a building that is rented and occupied, or intended to be rented and occupied, for sleeping and dwelling purposes by one or more persons.

“Multiple dwelling” means any building or structure and any land appurtenant thereto, and any portion thereof, in which three (3) or more dwelling units are occupied or intended to be occupied by three (3) or more persons living independently of each other. “Multiple dwelling” also means any group of ten (10) or more buildings on a single parcel of land or on contiguous parcels under common ownership, in each of which two (2) dwelling units are occupied, or intended to be occupied, by two (2) persons or households living independently of each other, and any land appurtenant thereto, and any portion thereof. “Multiple dwelling” does not include those buildings and structures that are excluded pursuant to N.J.S.A. 55:13A-3(k).

“Periodic lead-based paint inspection” means the initial inspection of all applicable dwelling units at the earlier of two years from the effective date of P.L. 2021, c. 182, (July 22, 2022) (N.J.S.A. 52:27D-437.6), or tenant turnover and, thereafter, the earlier of three (3) years or upon tenant turnover, consistent with N.J.A.C. 5:28A-2.1, for the purposes of identifying lead-based paint hazards in dwellings subject to this Article.

“Property Maintenance Code Official” means the Borough of Highland Park Construction Official, the Borough of Highland Park Department of Code Enforcement, or any enforcement officer appointed by the Borough of Highland Park, pursuant to N.J.S.A. 40:48-2.3 et seq., or any other statutory authorization, to perform inspections of any Building or other code, or any enforcement officer authorized to enforce the Borough of Highland Park Property Maintenance Code or Health Code, or their designee.

“Remediation” means interim controls or lead abatement work undertaken in conformance with this Article to address lead-based paint hazards.

“Tenant turnover” means the time at which all existing occupants vacate a dwelling unit and all new tenants move into the dwelling unit or the time at which a new tenant enters a vacant dwelling unit.

- B. Inspections Authorized. The Property Maintenance Code Official shall be authorized and empowered to conduct periodic lead-based paint inspections for all applicable multiple dwelling units offered for rent to determine the presence of lead-based paint, in accordance with N.J.S.A. 52:27D-437.6 and N.J.A.C. 5:28A-1.1, et seq.
- C. Certain Multiple Dwelling Units Exempted from Lead-Based Paint Inspection. Inspections for lead-based paint in multiple dwelling units shall be governed by the standards set forth in N.J.S.A. 52:27D-437.1 et seq., and N.J.S.A. 55:13A-1 et seq. A dwelling unit in a single-family, two-family, or multiple rental dwelling shall not be

subject to inspection and evaluation for the presence of lead-based paint hazards if the unit:

1. was constructed during or after 1978;
2. is a single-family or two-family seasonal rental dwelling unit that is rented for less than six (6) months duration each year by tenants that do not have consecutive lease renewals;
3. has been certified to be free of lead-based paint, pursuant to N.J.A.C. 5:17;
4. is in a multiple dwelling that was constructed prior to 1978 and has been registered with the Department of Community Affairs as a multiple dwelling for at least ten (10) years, either under the current or a previous owner, and has either (a) no outstanding paint violations from the most recent cyclical inspection performed on the multiple dwelling under the “Hotel and Multiple Dwelling Law,” P.L. 1967, c.76 (N.J.S.A. 55:13A-1 et seq.), (b) a current certificate of inspection issued by the Department of Community Affairs, Bureau of Housing Inspection, or (c) an open inspection with no violations for paint;
5. has a valid lead-safe certification issued pursuant to N.J.A.C. 5:28A. Lead-safe certifications are valid for two years from the date of issuance pursuant to N.J.A.C. 5:28A-2.4.

§ 303-26 Owner Required to Obtain Inspection.

- A. Inspection Performed by Borough Official. The owner, landlord, and/or agent of every single-family, two-family and/or multiple dwelling unit offered for rental shall be required to obtain an inspection of the unit for lead-based paint hazards as required in this Article, or at tenant turnover, whichever is earlier. To obtain the required inspection, the landlord, owner and/or agent shall arrange it with the Borough’s Property Maintenance Code Official and pay all applicable and required fees associated with the Borough’s inspection as specified in § 303-28 and -29, below.
- B. Option for Inspection Performed by Licensed Lead Evaluation Contractor. A dwelling unit owner or landlord may opt, instead, to directly hire a licensed lead evaluation contractor to conduct the periodic lead-based paint inspections for lead-based paint as required in this Article. Notwithstanding this option, the Borough retains the authority to conduct inspections or investigations of landlords or owners that directly hire lead evaluation contractors to ensure that periodic lead-based paint inspections are being performed, in accordance with this chapter. The Borough also retains the authority to prohibit an owner from directly hiring a lead evaluation contractor to conduct a periodic lead-based paint inspection where: (i) the owner previously opted to hire a lead evaluation contractor to perform the periodic lead-based paint inspection and failed to have the inspection completed; or (ii) the Borough determines there is a conflict of interest between the owner and their lead-evaluation contractor of choice.

§ 303-27 When Lead-Based Paint Inspections Are Required.

- A. The initial inspection for all single-family, two-family and multiple dwellings subject to this Article shall be upon tenant turnover or within two years of the effective date of P.L. 2021, c. 182 (July 22, 2022), whichever is sooner.
- B. Thereafter, all such dwelling units shall be inspected for lead-based paint hazards every three (3) years or upon tenant turnover, whichever is earlier, except that an inspection shall not be required at tenant turnover, if the dwelling unit owner has a valid lead-safe certification for the dwelling unit.
- C. The next periodic lead-based paint inspection shall be counted from the most recent periodic lead-based paint inspection which resulted in a valid lead-safe certification.

§ 303-28 Notice of Inspection to be Given.

Whenever any multiple dwelling unit is scheduled for a tenant turnover, the then-current landlord, owner and/or agent shall provide written notice to the Property Maintenance Code Official that an inspection is needed at least twenty (20) calendar days prior to the scheduled date of the tenant turnover.

§ 303-29 Fees for inspections.

- 1. There shall be a fee of Two Hundred (\$125.00) Dollars for each initial visual lead-based paint inspection. If a dust-wipe sampling is deemed necessary based on visual examination, there shall be an additional fee of Seventy-five (\$75.00) Dollars for that sample.
- 2. There shall be a fee of One Hundred (\$100.00) Dollars for each visual lead-based paint reinspection which is required and/or requested pursuant to this Article. If a dust-wipe sampling is deemed necessary based on visual examination, there shall be a fee of Seventy-five (\$75.00) Dollars for that sample.
- 3. Each dwelling unit under the direct control of the Highland Park Housing Authority shall be exempt from the said fees.
- 4. An additional Twenty (\$20.00) Dollar fee shall be assessed in accordance with N.J.S.A. 52:27D-437.6 and N.J.A.C. 5:28A-2.2, to be deposited into the Lead Hazard Control Assistance Act Fund under the administration of the New Jersey State Department of Community Affairs.
- 5. All fees are nonrefundable upon the applicant's failure to cancel the requested inspection at least forty-eight (48) hours prior to a scheduled inspection. Said fee shall be dedicated to meeting the costs of implementing and enforcing this Article for lead-based paint inspections and shall not be used for any other purpose.

6. A dwelling landlord, owner and/or agent may directly hire a lead evaluation contractor who is certified to provide lead paint inspection services by the Department of Community Affairs to satisfy the requirements of this Article and the requirements of N.J.S.A. 52:27D-437.6 and N.J.A.C. 5:28A-1.1, et seq., in which case, the Twenty (\$20.00) Dollar fee shall be assessed in accordance with N.J.S.A. 52:27D-437.6 and N.J.A.C. 5:28A-2.2, payable to the Borough, to be deposited into the Lead Hazard Control Assistance Act Fund under the administration of the New Jersey State Department of Community Affairs, but no additional lead-based paint inspection fee shall be charged by the Borough.

§ 303-30 Time for Inspections.

All inspections and reinspections shall take place within fifteen (15) calendar days of the requested inspection. Inspection fees shall be paid prior to the inspection. No inspections or reinspections shall take place unless all fees are paid. Scheduled inspections or reinspections may be canceled by the Property Maintenance Code Official, unless the completed application and required fees have been received by the Borough at least twenty-four (24) hours prior to the scheduled inspection, or on the last working day prior to the scheduled inspection. Every inspection for which the landlord, tenant, owner or agent has failed to provide access for inspection shall be deemed a failed inspection.

§ 303-31 Lead-Based Paint Inspections by Visual Assessment or Dust Wiping Method.

- A. At the time of the enactment of P.L. 2021, c.182 (N.J.S.A. 52:27D-437.6), the Department of Community Affairs identified the Borough as a municipality in which less than three percent of children tested, six years of age or younger, have a blood lead level greater than or equal to five µg/dL according to the central lead screening database maintained by the New Jersey Department of Health. Accordingly, the Property Maintenance Code Official or licensed lead evaluation contractor shall perform the periodic lead-based paint inspection through a visual assessment, in which the Official or contractor is to examine dwellings, in accordance with HUD guidelines and regulations at 42 U.S.C. § 4851b for deteriorated paint or visible surface dust, debris, or residue on all painted building components, especially any walls, window, trim, and surfaces that experience friction or impact. The Property Maintenance Code Official or licensed lead evaluation contractor may also elect to, but is not required to, collect samples by dust wiping surfaces, including floors, interior windowsills, and other similar surfaces, and tested, in accordance with methods approved by the State of New Jersey and/or the United States Department of Housing and Urban Development.
- B. If, in the future, the Department of Community Affairs designates the Borough as a municipality in which at least three percent of children tested, six years of age or younger, have a blood lead level greater than or equal to five µg/dL according to the central lead screening database maintained by the New Jersey Department of Health, then the inspections required by this Article shall be performed through dust wipe sampling instead of visual assessment alone.

§ 303-31 Inspection Certification to be Supplied.

- A. If, following inspection, the Property Maintenance Code Official or lead evaluation contractor finds that no lead-based paint hazard exists in a dwelling unit, they shall certify the dwelling unit as lead-safe on the form prescribed by the Department of Community Affairs and supply a copy of the lead-safe certification to the landlord, owner, and/or agent of the dwelling. If a licensed lead evaluation contractor issues the lead-safe certification, a copy shall also be provided to the Property Maintenance Code Official and the Borough Clerk at the time it is issued.
- B. The lead-safe certification shall be valid for a period of two years from the date of issuance, unless during the two-year certification period, a lead evaluation contractor, lead inspector/risk assessor, a local health department, or a public agency conducts an independent inspection or risk assessment and determines that there is a lead-based paint hazard, in which case, the certification shall be invalid.

§ 303-33 Identification of Lead-Based Paint Hazard.

- A. If the Property Maintenance Code Official or licensed lead evaluation contractor finds that a lead-based paint hazard exists in a dwelling unit, they shall notify the New Jersey State Department of Community Affairs, Division of Local Government Services for review of the findings, in accordance with the Lead Hazard Control Assistance Act.
- B. If a lead-based paint hazard is identified in an inspection of one of the dwelling units in a building consisting of two (2) or more dwelling units, then the lead contractor or Property Maintenance Code Official shall inspect the remainder of the building's dwelling units, with the exception of those dwelling units that have been certified to be free of lead-based paint or which have a valid lead-safe certification.

§ 303-34 Responsibility for Remediation of Lead-Based Paint.

The owner of the dwelling unit shall be responsible for remediation of the lead-based paint hazard. Remediation and any reinspections required following remediation must be conducted consistent with N.J.A.C. 5:28A-2.5. Documentation of such remediation shall be provided to the Property Maintenance Code Official.

§ 303-35 Owner Responsibility for Record-Keeping.

- A. The landlord, owner and/or agent of a dwelling that is subject to this Article shall provide to the tenant and to the Borough evidence of a valid lead-safe certification obtained pursuant to this Article at the time of tenant turnover. The owner shall also affix a copy of any such certification as an exhibit to the tenant's lease.
- B. The owner of a multiple dwelling that is subject to this Article shall provide evidence of a valid lead-safe certification obtained pursuant to this Article, as well as evidence of the most recent tenant turnover, at the time of any cyclical inspection performed pursuant to the Hotel and Multiple Dwelling Law, N.J.S.A. 55:13A-1 et seq.

- C. The owner of a dwelling that is subject to this Article shall maintain a record of the lead-safe certification, which shall include the name or names of a unit's tenants, if the inspection was conducted during a period of tenancy.
- D. The owner of any dwelling subject to this Article shall inform the Borough of all tenant turnover activity to ensure any required inspection may be scheduled.
- E. The owner of a dwelling shall provide a copy of this Article, and any lead-safe certifications issued pursuant thereto, along with the accompanying guidance document, "Lead-Based Paint in Rental Dwellings," to any prospective owners of the dwelling during a real estate transaction, settlement, or closing.

§ 303-36 Municipal Responsibilities and Enforcement Powers

- A. Pursuant to N.J.A.C. 5:28A-2.1(d), the Property Maintenance Code Official shall exercise appropriate oversight of a landlord or owner who chooses to hire a lead evaluation contractor to perform the periodic lead-based paint inspection.
- B. Pursuant to N.J.A.C. 5:28A-3.2, the Property Maintenance Code Official shall maintain a record of: all dwellings subject to this chapter, which includes up-to-date information on inspection schedules, inspection results, and tenant turnover; all lead-safe certifications issued; and all lead-free certifications issued.
- C. Pursuant to N.J.S.A. 52:27D-437.6 and N.J.A.C. 5:28A-4.1, the Property Maintenance Code Official is authorized to conduct investigations and issue penalties in order to enforce a multiple dwelling landlord's, owner's and/or agent's failure to comply with this Article.
 - 1. The owner of the dwelling shall first be given a period of thirty (30) calendar days to cure any violation by conducting the required inspection or initiating any required remediation efforts.

- B. The services of a financial consultant shall be provided for to assist the Rent Control Board in evaluating complicated accounting information. The financial consulting fees shall be funded through an escrow account required of landlords making hardship appeals. The escrow shall be no more than \$500 for a landlord of more than 100 rental units and \$250 for landlords of less than 50 units. Any of the escrow funds not required for consulting fees shall be refunded to the landlord at the end of the rent control board's consideration of the hardship increase request.

- C. Hardship appeals will be based on a Fair Rate of Return formula which allows, with just cause, for the maintenance of a Dollar Net Operating Income (NOI) with a cost-of-living increase on that portion of the NOI which is the profit. Only valid cause for the loss of return of NOI shall be permitted as the basis for a hardship application hereunder.
- D. The landlord shall be required to send by certified mail or hand deliver to each tenant affected by the application, at least ten (10) days prior to the date scheduled for the hearing before the rent control board on the hardship application. In addition, the landlord shall publish notice of the hardship hearing one time at least ten (10) days prior to the hearing in a newspaper of general circulation within the Borough. Following the Rent Control Board's decision, the landlord by certified mail or hand delivery shall advise each of the tenants as to the outcome of the hardship increase hearing within ten (10) days of the date of the Rent Control Board's determination. Additionally, the landlord shall publish notice of the Rent Control Board's decision in a newspaper of general circulation within the Borough within ten (10) days of the Rent Control Board's determination. The Rent Control Board shall make a decision on any application within forty-five (45) days from the conclusion of the Board's hearing of the application.
- E. In applying the NOI determination referenced hereinabove, the Rent Control Board shall consider: (1) The additional debt requirements attributable to necessary refinancing will be permitted only at the expiration of the original term of the landlord's mortgage and if the Rent Control Board determines that the mortgage payments result from refinancing terms which are commercially reasonable under the circumstances. (2) In determining the NOI, applying the cost of refinancing of the original mortgage, the Rent Control Board shall not consider the refinancing of junior mortgages. (3) In a circumstance where a new apartment owner is in a negative cash flow position, the criteria to be used by the Rent Control Board is whether the mortgage payments resulted from a capitalization debt-equity ratio that is commercially reasonable and is reasonably related to the acquisition of the apartment for rental purposes.

§ 321-31 Hardship applications, eligibility.

In determining whether a landlord is entitled to a hardship increase, the Borough Administrator, or his or her designee, shall consider the landlord's ability to meet expenses and a fair and reasonable return on his/her property. A landlord shall be eligible for consideration for a hardship increase if:

- A. He/she has been the owner of the building for a twelve-month period preceding the filing of such application. Certified public accountants' records must be submitted with said application, and the Board may consider all reasonable factors as to the prudence of said investment in determining whether or not a hardship shall be granted;
- B. He/she can demonstrate that the building is in substantial compliance with all relevant property and maintenance provisions in this chapter;

C. The following factors shall be considered in determining the fairness and reasonableness of the landlord's rate of return:

- (1) Taxes;
- (2) Costs of efficient maintenance and operation of the property;
- (3) The kind, quality, quantity and efficiency off the services being rendered;
- (4) The number and frequency of prior hardship and capital improvement increases for the building
- (5) The reasonableness of expenses incurred by the landlord expended for capital improvements.
- (6) Present tax and tax appeal status; and
- (7) Discretion of hearing officers may be considered.

§ 321-32 Hearings.

Upon scheduling of hearings, the Borough Administrator, or his or he designee, shall give notice of the same to each affected tenant, five days prior thereto. All documentation submitted shall be open to inspection by affected tenants or their legal representatives. Any such notice delivered to the tenant shall include a statement that all such documentation is available for inspection at the office of the Borough Clerk. Requests for the appearance of any real estate appraiser, either by the landlord or the affected tenant, shall be made, in writing, two days prior to the hearing date to the Borough Administrator, or his or her designee and the parties. Failure to request the presence of said appraiser shall be deemed to have waived the right of his cross-examination by the party.

ARTICLE IX
Capital Improvement Surcharge

§ 321-33 Application.

A landlord may file an application for a surcharge to cover the cost of a planned major capital improvement to a multiple dwelling as defined in Section 321-1 hereinabove. The landlord's application shall include the total cost of the capital improvement; the number of years of useful life of the capital improvement as claimed by the landlord for depreciation for income tax purposes; and the amount of the surcharge sought from the tenant. The Rent Control Board may grant a surcharge only if it finds that the major capital improvement benefits the tenant. The Board may approve the planned major capital improvement; however, the landlord may not implement the surcharge until the landlord submits verification of completion of work and payment (in the form of a detailed invoice and paid bill or cancelled check) and the Rent Control Board provides final approval.

§ 321-34 Notification.

The landlord must give each tenant proposed to be affected by a capital improvement surcharge written notice of the application for surcharge at least 30 days prior to the hearing date of the application.

§ 321-35 Calculation of capital improvement surcharge and time period.

In calculating the capital improvement surcharge, the cost of the capital improvement shall be divided by the total square feet of the dwelling to determine the capital improvement surcharge per square foot, if applicable. The tenant shall not be liable for any capital improvement surcharge exceeding the surcharge increase per square foot multiplied by the total square feet occupied by the tenant, if applicable. Where per apartment costs are known, they should be used as a basis for apportioning the surcharge.

Only the initial investment and financing costs are eligible for the Capital Improvement Surcharge. Repairs and replacements are to be absorbed by the landlord as operating expenses and are not eligible for the Capital Improvement Surcharge.

The capital improvement surcharge applicable to each tenant shall not exceed 10% of his base rent, unless such improvement is mandated by local ordinance or state law and, shall be payable in up to 36 monthly installments.

The Capital Improvement Surcharge shall become effective no sooner than the renewal date of the next lease and no time during a pending or current lease.

§ 321-36 Exclusion from rental income.

Any capital improvement surcharge, as provided herein, shall not be considered rent for the purposes of computing the annual cost-of-living rent increases.
