Middlesex County Area Transit (MCAT)	<p>Demand Response/Reservation – MCAT provides transportation, for a \$3.00 per trip (one-way) fee, to seniors 60+ and disabled residents of Middlesex County. The general purpose of the program is to make intermittent transportation available and accessible so that residents may obtain the necessities of life, with priority given to non-emergency medical services. Registration and reservations are required.</p> <p>Community Shuttle – The MCAT shuttle program is a modified fixed route service, which operates on a fixed schedule without a reservation. The six routes offer a 30 to 60 minute frequency of service, Monday thru Friday, are wheelchair accessible and offer connections to NJ Transit bus and rail services. There is a suggested fare of \$1.00 for the public and \$.50 for persons over 60 and persons with a disability of any age.</p>	<p>MCAT provides essential transportation services to older adults (60+) and people with disabilities through a reservation-based service. MCAT also provides community-based transportation through fixed route shuttles.</p>

<p>NJ Transit's Access Link</p>	<p>Access Link is a public transportation service established to comply with the paratransit regulations of the ADA. Access Link service is comparable to the NJ TRANSIT local fixed route bus and light rail systems. Access Link is for people with disabilities who are unable to use the local fixed route bus for some or all of their rides.</p>	<p>NJ TRANSIT's Access Link is for people whose mobility issue prevents them from using existing local bus service.</p> <p>APPLYING FOR ACCESS LINK SERVICES: Telephone interviews are now being scheduled for those who want to be considered for full paratransit eligibility. If you want to apply for services call 973-491-4224 and select option #1 to request a date to participate in a telephone interview. You will then be scheduled to speak with a representative from our statewide network of Assessment Agencies. During your telephone interview, you will be asked about your disability or disabilities and the impact on your ability to use NJ TRANSIT's local fixed-route system to travel. You will have the opportunity to provide examples of how and when you are prevented from using NJ TRANSIT's fixed-route system to travel to or from your intended destinations. You will also need to provide medical verification of your disability or disabilities.</p>
