1.1 **Construction.** Throughout this Agreement, the parties are collectively referred to, from time to time, as the Transferor and the Transferee with respect to the Transfer (as hereinafter defined) of the Properties (as hereinafter defined) between the Parties contemplated herein. For purposes of clarity, whenever the terms and provisions of this Agreement so collectively refer to the Parties as Transferor and Transferee, the following shall apply:

(a) With respect to the Transfer of the PK Property (the "**PK Transfer**"), PK Owner shall be understood to be the Transferor, and Ubry shall be understood to be the Transferee.

(b) With respect to the Transfer of the Ubry Property (the "**Ubry Transfer**", and collectively with the PK Transfer, the "**Transfer**"), Ubry shall be understood to be the Transferor, and PK Owner shall be understood to be the Transferee.

(a) **PK Transfer.** That certain tract or parcel of land located at and known as 70 Woodbridge Avenue, Highland Park, New Jersey, and designated as Block 3104, Lots 7-11 by the Tax

The consideration for PK Owner to consummate the PK Transfer shall be the consummation of the Ubry Transfer by Ubry. The PK Property is more fully described on **Exhibit C** attached hereto and made a part hereof as though more fully set forth hereinafter at length verbatim.

(b) **Ubry Transfer.** That certain tract or parcel of land located at and known as 115 Raritan Avenue, Highland Park, New Jersey 08904, and designated as Block 1704, Lot 47 by the Tax Assessor's Office of the Borough of Highland Park, as well as all and all of Transferor's interest in any appurtenant rights, permits, licenses, warranties, and approvals relating thereto (the "**Ubry Land**", together with the PK Land, the "**Land**"), together with all improvements thereon, equipment and fixtures located therein, and rights and privileges of Transferor thereto (the "**Ubry Building**", and the Ubry Land and the Ubry Building referred to herein as the "**Ubry Property**", with the Ubry Property and/or the PK Property referred to herein collectively or individually from time to time as the "**Property**" or the "**Properties**", as appropriate. The consideration for Ubry to consummate the Ubry Transfer shall be the consummation of the PK Transfer by PK Owner and the completion of the work (the "**Additional Consideration Work**") set forth on **Exhibit A**. The Ubry Property is more fully described on **Exhibit D** attached hereto and made a part hereof as though more fully set forth hereinafter at length verbatim.

1.3 **Closing.**

(a) The purchase and sale of the Properties shall be consummated at a closing (the "**Closing**") that shall take place on or before the thirtieth (30th) day after the completion of the Additional Consideration Work (such date, the "**Closing Date**"), through an escrow established with an escrow agent designated by the Parties (the "**Escrow Agent**"). PK Owner shall seek to complete the Additional Consideration Work by no later than 4Q 2024, subject to Force Majeure.

(b) For purposes of this Agreement, "**Force Majeure**" shall mean any delays in either Party's performance required hereunder caused by reason of strikes, utility interruptions not caused by the Parties, unseasonably harsh weather, pandemic, riots, insurrection, war, acts of terrorism, the occurrence or discovery of any environmental contamination or defect on the Property that was not identified at the time of execution hereof, or other causes not within the reasonable control of nor due to the fault of the Party delayed that has a direct, material adverse effect on the rights or obligations of the Parties to perform under this Agreement.

SECTION 2. **TRANSFeree'S DILIGENCE**

2.1 **Diligence Inspections.**

(a) Within five (5) Business Days after the Effective Date, Transferor shall deliver or make available to Transferee, without representation or warranty, those materials relating to the respective Property listed on **Exhibit B** attached hereto and made a part hereof.

(b) As used herein, the "**Due Diligence Period**" means (i) with respect to the Ubry Transfer, the period commencing on the Effective Date and ending on the sixtieth (60th) day immediately following the Effective Date, and (ii) with respect to the PK Transfer, the period commencing on the Effective Date and ending on the thirtieth (30th) day immediately following the Effective Date.

(c) During the Due Diligence Period. Transferor grants to Transferee, and persons designated by the Transferee ("**Transferee Parties**"), the right, upon advance written notice to Transferor, to enter upon the Property from time to time during ordinary business hours solely for the purpose of performing such due diligence investigations of the Property as Transferee shall deem necessary or desirable, in Transferee's commercially reasonable discretion. Transferee agrees to restore any part of the Property to its condition as it existed prior to Transferee's investigation(s) and inspection(s), and Transferee shall indemnify and hold Transferor harmless from any liability, claim or demand arising out of the acts or omissions of Transferee and other parties conducting activities on the Property on behalf of Transferee, which indemnification obligation shall not be limited by any other provision of this Agreement. All Transferee Parties in connection with any investigation or inspection of the Property shall carry policies of general liability insurance in amounts reasonably acceptable in their respective fields, naming Transferor as additional insured(s) under such policy(ies). In conducting its inspections, Transferee and Transferee Parties conducting such activities on behalf of Transferee shall: (i) not materially damage any part of such property; (ii) promptly pay when due the costs of all tests, investigations, and examinations; and (iii) not permit any liens to attach to such property by reason of the exercise of its rights hereunder. Transferee shall bear the cost of all of its inspections or tests. The provisions of this Section 2.1(c) shall survive the Closing and/or termination of this Agreement.

(d) Transferee shall have the right to terminate this Agreement at any time prior to the expiration of the Due Diligence Period by written notice to Transferor if Transferee's inspections reveal that the Property will not be suitable, with respect to the PK Property, for auto repair use following completion of the Additional Consideration Work, and, with respect to the Udry Property, for redevelopment for residential and/or commercial uses. Additionally, should an environmental consultant performing a Phase I environmental report recommend the performance of a Phase II environmental report based on its findings regarding the Udry Property, PK Owner may elect in its sole discretion, to extend the Due Diligence Period with respect to the Udry Transfer only for a period of thirty (30) days, and, to commission a Phase II environmental report on the Udry Property. Correspondingly, if any environmental consultant performing a Phase I environmental report on the PK Property recommends the performance of a Phase II environmental report based on its findings regarding the PK Property, Udry Owner may elect in its sole discretion to extend the Due Diligence Period with respect to the PK Transfer only for a period of thirty (30) days and to commission a Phase II environmental report on the PK Property. Anything herein to the contrary notwithstanding, should it be determined by PK Owner that further remediation is needed with respect to environmental conditions on the Udry Property, if the cost of same exceeds \$15,000 and PK Owner is not willing to pay such excess, then, in that event, Udry will have the option to terminate this Agreement and no Party shall have further obligation hereunder except those provisions that shall survive termination of this Agreement hereunder.

(e) Notwithstanding any provision contained herein to the contrary, in the event the need arises, as a result of Transferee's investigations, to notify under applicable laws any federal, state or local public agencies of any environmental conditions at a Property, such Transferee shall immediately notify Transferor and agrees that Transferor, not Transferee or Transferee's representatives, shall make such disclosure, unless such disclosure is required by law to be made by such Transferee or Transferee's representatives, in which instance such Transferee or such representative may make such disclosure and Transferee shall immediately notify Transferor thereof. Otherwise no disclosures as a result of an investigation shall be made by Transferor or Transferee of either Property unless also such party is compelled to do so by lawful subpoena or court order.

(f) Transferee may, at any time prior to Closing, re-inspect the Property pursuant to the provisions of subparagraph (c) above to determine that no new issues have arisen with respect to the Property which are caused as a result of the breach by Transferor of any representation or covenant contained in Sections 4 or 6 of this Agreement (a "**Covenant Breach**"). If any such Covenant Breach is

discovered to have occurred as a result of such re-inspection, Transferee may notify Transferor in writing of such Breach. If Transferee sends such notice to Transferor in compliance with the provisions herein, Transferee and Transferor shall have the same rights and obligations set forth in Section 2.1(d) above, or Sections 6 and 9, below. The provisions of Section 2.1(c) hereinabove apply to any re-inspection performed pursuant to this Section 2.1(f), including surviving the Closing Date and/or termination of this Agreement.

(g) It is understood and agreed by the Transferee and the Transferor that, except as specifically provided for in this Agreement, Transferor shall not be obligated to incur any expense or to bring any action to abate or cure any defect or other matter with respect to the Property.

2.2 Title & Survey Matters.

(a) Title and Survey Matters. At Closing, each Transferor shall convey and transfer to Transferee title to the Property as set forth below:

(1) Transferee shall order all searches within fourteen (14) days of the date hereof and obtain an ALTA title insurance commitment (the "Title Commitment") from a title company of its choosing (the "Title Company") during the Due Diligence Period, showing all matters affecting title thereto and binding the Title Company to issue at Closing an Owner's Policy of Title Insurance in an amount designated by Transferee, and a survey (the "Survey") from a surveyor covering the Property.

(2) Title Examination. Transferor shall be required to take all necessary action to remove those exceptions to title listed in the Title Commitment, unless acceptable to Transferee, and correct any matters shown on the Survey that would materially impair use of the Property as intended.

(3) Title Objections; Cure of Title Objections. Transferor shall pay off any monetary encumbrances against the Property on the Closing Date. With respect to non-monetary encumbrances, Transferor shall use best efforts, to remove objections in connection with the condition and status of title to the Property and any other matter contained in the Title Commitment or the Survey raised by Transferee.

(4) Pre-Closing "Gap" Title Defects. Transferee may, at or prior to Closing, notify Transferor in writing (the "Gap Notice") of any matters adversely affecting title raised by the title company or surveyor prior to Closing that were not reported on the Title Commitment or Survey and of which Transferee had no actual knowledge prior to the execution hereof. If Transferee sends a Gap Notice to Transferor, Transferor shall have the same obligations with respect to such exceptions as set forth under Section 2.2(2) hereof.

(5) Condition of Title; Permitted Exceptions. Title to the Property shall be good, marketable and insurable at regular rates, subject, however, to the following matters, which are hereinafter referred to as the "Permitted Exceptions":

- (i) all matters that arise out of actions of Transferee or its agents, representatives or contractors;
- (ii) all matters the title company is willing to insure over without any additional premium or indemnity from Transferor, to the extent acceptable to Transferee;
- (iii) the title company's printed coverage exclusions;
- (iv) exceptions to title that are acceptable to Transferee;

(v) such state of facts as disclosed by the Survey or inspection of the Property that do not materially impair the use of the Property as intended; and

(vi) the lien of all real estate taxes and assessments not yet due and payable as of the Closing Date, subject to adjustment as herein provided.

(6) Title Defects; Right of Termination. If, on the Closing Date, having complied with the requirements of this Agreement, (i) Transferor is unable to remove exception(s) to title listed in the Title Commitment or correct matter(s) shown on the Survey that would materially impair use of the Property as intended by Transferee or (ii) address any Gap Notice, or (iii) for any other reason, Transferor is unable to convey good, marketable and insurable (at regular rates) title to Transferee, such inaction or inability shall permit Transferee to terminate this Agreement, in which event the Parties shall have no further liability to the other under this Agreement.

SECTION 3.

CONDITIONS TO OBLIGATION TO CLOSE

12.10 **Limitations on Liability.** In no event shall either party be entitled to recover from the other party in connection with any claim arising out of or relating to this Agreement or any representation made herein, any lost profits or any other indirect or consequential damages or punitive damages.

12.11 **Binding Effect.** This Agreement shall be binding upon and inure to the benefit of the Parties and, to the extent permitted hereby, their respective heirs, legal representatives, successors and assigns.

12.12 **Sophistication of the Parties.** Each party acknowledges and agrees that it has consulted legal counsel in connection with the negotiation of this Agreement and that it has bargaining power equal to that of the other party in connection with the negotiation and execution of this Agreement. Accordingly, this Agreement shall be deemed for all purposes to have been mutually drafted by the parties, and the parties hereto agree the rule of contract construction to the effect that an agreement shall be construed against the draftsman shall have no application in the construction or interpretation of this Agreement.

12.13 **No Joint Venture.** Nothing contained in this Agreement shall be construed to create a partnership or joint venture between the parties or their successors in interest.

12.14 **Further Assurances.** The parties each agree to do such other and further acts and things, and to execute and deliver such instruments and documents (not creating any obligations additional to those otherwise imposed by this Agreement) as either may reasonably request from time to time, whether at or after the Closing, in furtherance of the purposes of this Agreement. The provisions of this Section 12.14 shall survive the Closing.

12.15 **Recording.** This Agreement shall not be recorded in the public records, and if Transferee shall record this Agreement or cause or permit the same to be recorded, Transferor may, at its option, elect to treat such act as a breach of this Agreement.

12.16 **Survival of Contract Terms.** Unless specifically stated to the contrary, all terms and conditions of this entire Agreement which do not by the terms of this Agreement expressly survive Closing and the transfer of title shall be null and void and of no further force and effect upon the Closing. The representations, covenants and warranties of the Parties contained in Sections 4, 5 and 6 this Agreement (the "**Surviving Representations**") shall be true as of the Closing Date. Unless a Surviving Representation is specifically stated to survive the Closing for a different period, such representations or warranties shall survive for a period of one hundred eighty (180) days following the Closing Date (the "**Survival Period**"), following which, no claims may be made on such Surviving Representations.

12.17 **Severability.** If any provision of this Agreement shall be held or deemed to be, or shall in fact be, invalid, inoperative or unenforceable, such circumstance shall not have the effect of rendering the provision or provisions in question invalid, , but this Agreement shall be reformed and construed in any such jurisdiction or case as if such invalid, inoperative or unenforceable provision had never been contained herein.

12.18 **Dispute Resolution.** The Parties shall negotiate in good faith and attempt to resolve any dispute, controversy or claim arising out of or relating to this Agreement (a "**Dispute**") within a reasonable time after the date that a Party gives written notice of such Dispute to the other Party. If, after such negotiation, the Dispute remains unresolved, either Party may require that a non-binding mediation take place. In such mediation, representatives of the Parties with authority to resolve the dispute shall meet with a single, qualified person (who shall be an architect, engineer or attorney with experience in real estate matters) whom the Parties choose together. If the Parties are unable to agree on a mediator or if disputes arising under this Agreement that are not resolved by mediation as provided herein, then either Party may seek the remedies provided for herein in the Superior Court of New Jersey.

12.19 **Section 1031 Exchanges.** Transferor and Transferee agree that, at either Transferor's and Transferee's sole election, this transaction may be structured as an exchange of like-kind properties under Section 1031 of the Internal Revenue Code, and the regulations and proposed regulations thereunder. The Parties agree that if either wishes to make such election, it must do so by written notice to the other Party at least five (5) Business Days prior to the Closing Date. If either so elects, the other shall reasonably cooperate, provided any such exchange is consummated pursuant to an agreement that is mutually acceptable to Transferor and Transferee and which shall be executed and delivered on or before the Closing Date. The electing Party shall in all events be responsible for all liability, costs and expenses related to the Section 1031 exchange and shall fully indemnify, defend and hold the other harmless from and against any and all liability, claim, damages, expenses (including reasonable attorneys' fees, expenses and disbursements), proceedings and causes of action of any kind or nature whatsoever arising out of, connected with or in any manner related to such Section 1031 exchange that would not have been incurred by the non-electing party if the transaction were a purchase for cash. In no event shall any Party be required to take record title to any property other than the Property in connection with such transaction, nor shall the non-electing party be required to take an assignment of the purchase agreement for the replacement property. Neither party shall not by any agreement or acquiescence to an exchange have its rights under this

Agreement affected or diminished in any manner or be responsible for compliance with or be deemed to have warranted to the other that the exchange in fact complies with the Internal Revenue Code.

Re: Letter Amendment to Purchase and Sale Agreement between the Estate of Lazaros Plias and Estate of Ioannis Kanterakis (collectively, “Seller”) and Tantum Fidelco HP LLC (“Purchaser”), for the property located at 70 Woodbridge Avenue, Highland Park, New Jersey

Dear Mr. Liebling:

Reference is made to that certain Purchase and Sale Agreement by and between Seller and Purchaser (the “Agreement”) dated October 25, 2023, in which this office represents Seller. Capitalized terms used herein shall have the meanings set forth in the Agreement.

Section 3(a) of the Agreement provides that Purchaser had a sixty (60) day Due Diligence Period during which time Purchaser had the right to perform or cause to be performed specified tests and inspections of the Property to be conveyed. The 60-day Due Diligence Period provided in the Agreement expired on December 24, 2023 but was extended by Seller to December 28, 2023. By an email dated December 28, 2023, Purchaser terminated the contract, which the parties seek to revive under the terms specified below.

The parties revive the Agreement under the terms specified below:

1. **Due Diligence Period** is deemed satisfied and is not extended.
2. **Financing Contingency**: The Purchaser shall have a period of three (3) months to investigate financing opportunities for the acquisition of the Property (“Financing Contingency”). The three (3) months shall commence once this Addendum is signed by all parties. The date the Financing Contingency ends shall be set forth in a letter by Purchaser’s attorney. Within seven (7) days of the Financing Contingency period ending, the Purchaser shall notify the Seller as to whether it has arranged financing or elects to terminate the Agreement (the “Financing Contingency Notice”). If Purchaser’s Financing Contingency Notice states that Purchaser is unable to obtain financing and elects to terminate the Agreement, the Initial Deposit and any Additional Deposit, if paid, shall be returned to

Purchaser without deductions, with the exception of those referenced in paragraphs 4, 4.1 and 4.2 below.

3. **Additional Deposit:** Pursuant to Section 1(c)(ii) of the Agreement, Purchaser was to deposit a sum equal to FIFTY SEVEN THOUSAND FIVE HUNDRED DOLLARS (\$57,500.00) at the expiration of the Due Diligence Period as an Additional Deposit to be held in escrow by the Escrow Agent, which has not occurred. Instead, Purchaser shall make the Additional Deposit simultaneously with the Financing Contingency Notice, unless Purchaser's Financing Contingency Notice states that Purchaser is unable to obtain financing and terminates the Agreement. For the purposes of clarity, Escrow Agent is holding the Initial Deposit.

4. **Carrying Costs:** The Purchaser shall be responsible for the cost of all documented real estate taxes, utilities, and property insurance for the Property ("Carrying Costs"), , pursuant to and for the periods set forth in 4.1 and 4.2 below.

4.1. If Purchaser elects to terminate the Agreement under the Financing Contingency Notice, the Carrying Costs from the date of this Addendum to the date of the Financing Contingency Notice shall be withheld from the Deposit (which is to be refunded to Purchaser) and such withheld amount shall released to Seller.

4.2. If Purchaser does not elect to terminate the Agreement in the Financing Contingency Notice, at Closing, the Purchaser shall receive full credit for the Carrying Costs paid from the date of this Addendum to February 6, 2024, and shall only be responsible for the Carrying Costs from February 7, 2024 to the date of Closing, which amount shall not be a credit against the Purchase Price.

5. **Closing Date:** Section 5(a) of the Agreement provides that Closing on the Property was to occur forty-five (45) days after the expiration of the Due Diligence Period, i.e., on or about February 7, 2024, assuming all conditions precedent described in Section 4 were satisfied.

5.1. With the inclusion of the Financing Contingency requested by Purchaser, to which Seller has agreed, the Closing Date is amended from forty-five (45) days after the expiration of the Due Diligence Period, to thirty (30) days after the expiration of the Financing Contingency, if Purchaser has not terminated the Agreement by sending a Financing Contingency Notice stating that Purchaser is unable to obtain financing.. This date shall be confirmed by a letter between the parties' attorneys.

6. **Additional Use of Holdback:** To the extent funds remain available in the Environmental Holdback and/or the Debris Holdback following disbursement from same for the costs identified in Section 7 of the Agreement, Purchaser may utilize and Purchaser's counsel may disburse, up to EIGHT THOUSAND DOLLARS (\$8,000.00) of such remaining amount to cover costs associated with the repair or replacement of vehicle lifts and associated components on the Property, upon presentation by Purchaser to Purchaser's counsel and Seller's counsel of an invoice(s) for such costs

7. **Miscellaneous:**

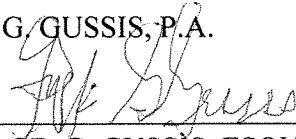

7.1 The conditions precedent to closing, set forth in Section 4 of the Purchase and Sale Agreement, shall remain except for Section 4(b), which is expressly deleted.

7.2 Except as expressly described herein, this letter amendment shall not constitute a modification or an alteration of any of the other terms, conditions or covenants of the Agreement, all of which remain in full force and effect.

If the foregoing is acceptable, please acknowledge below.

Very truly yours,

The County will bear any and all costs associated with the connectivity of any electrical power source necessary to service the deployment site. 3. If the request is approved and upon written notification to the *Participating Entity*, the County ALPR Coordinator will certify the deployment site and make the necessary arrangements for the installation of the Municipal-owned ALPR device at the approved County-owned or Municipal-owned deployment site, subject to the availability of the equipment.
4. If the request is denied, the County ALPR Coordinator will provide written notification to the *Participating Entity* of the County's decision.

F. SUBMITTING A REQUEST FOR THE PURCHASE AND INSTALLATION OF AN ALPR DEVICE BY THE PARTICIPATING ENTITY

1. In the event the *Participating Entity* wishes to align their ALPR system with the County, the County will offer the initial purchase and installation of ALPR cameras from its qualified vendor on the *Participating Entity's* behalf.

approvals from the County ALPR Coordinator.

3. During any installation, repair, replacement, relocation or adjustment to an ALPR device, the *Participating Entity* shall be responsible for creating a work zone and providing law enforcement personnel (if necessary) for traffic control during this activity. The *Participating Entity* shall bear all costs and expenses associated with the traffic control during these activities.
4. The County will provide sufficient notice to the *Participating Entity* prior to installation and make every reasonable effort to minimize the impact of the need for police traffic control during these activities.
5. The *MCPO* shall obtain the appropriate approvals from the County Department of Transportation, and/or Department of Infrastructure Management, prior to installing, repairing, replacing, relocating, or adjusting any ALPR device that is located within the County Right of Way or located on or affixed to a Middlesex County facility.

2. Such video data, unless otherwise needed for on-going investigations or potential or confirmed criminal prosecutions, shall be retained on a secure storage device by the entity which purchased and deployed the device for a period of ninety (90) days, after which time it will be destroyed or uploaded to cloud storage purchased and maintained by the agency that purchased the technology. Video data that meets the criteria for a greater length of retention beyond the ninety (90) day requirement shall be uploaded to cloud storage or stored via other means (i.e., Evidence.com) or other method that meets evidentiary standards, if applicable, at the discretion of the entity that owns the video surveillance cameras.
3. Access to all video recordings captured exclusively on standalone video technology shall be made available to all law enforcement agencies in Middlesex County and law enforcement agencies Statewide. The government entity seeking to obtain such video data shall be responsible for obtaining the video from the entity that owns it.

SCHEDULE “A”

ALPR OPERATING AND MAINTENANCE COST OVERVIEW:

Consistent with the County’s implementation program and commitment to a regionalized approach to public safety, the County will purchase and install Motorola Vigilant ALPR Cameras for any Municipality [“Participating Entity,”] wishing to align their ALPR platform with the County of Middlesex. Once the initial purchase and installation has been completed, the ALPR systems will be subject to operating and maintenance costs, as set forth in the Memorandum of Agreement and Motorola Vigilant’s Contract. The County will be responsible for all costs and expenses for the ongoing operating and maintenance of the equipment for years one (1) through three (3) of the five (5) year contract with Motorola Vigilant. The Municipality will be responsible for all costs and expenses for the ongoing operating and maintenance of the equipment for years four (4) through five (5) of the contract with Motorola Vigilant. The County will at all times maintain ownership of all cameras purchased on behalf of the Municipality/Participating Entity.

The information below details the costs and expenses associated with maintaining and operating ALPR cameras, which includes service, maintenance, **warranties** and the Verizon cellular charges for services used for network communication. The costs vary depending on the number of ALPR cameras connected to a single Communications Box at a traffic intersection. Typically, a single Communications Box is installed at a traffic pole and is designed to support connections for up to (4) ALPR cameras.

Key Terms:

- ALPR CAM (Column Headers): Vigilant L5F Automatic License Plate Recognition Camera
- Communications Box: The device that facilitates communication for the ALPR cameras at a particular deployment site, i.e. traffic signal.
- Operating Cost Total (5 Full Years): This is the aggregate cost over a five-year period for operating the ALPR cameras.
- Annual Operating Cost: The yearly expense of running the ALPR Camera/Communications Box configuration.

Columns Explained:

- 1 ALPR CAM – Costs for (1) ALPR camera connected to a single Communications Box.
- 2 ALPR CAM – Costs for (2) ALPR cameras connected to a single Communications Box.
- 3 ALPR CAM – Costs for (3) ALPR cameras connected to a single Communications Box.
- 4 ALPR CAM – Costs for (4) ALPR cameras connected to a single Communications Box.

Highlighted Costs:

- Municipality Operating Cost Total (Years 4 & 5) – The amounts highlighted represent what a Municipality will pay in total for the 4th and 5th years combined, based on the number of cameras connected to a Communication Box at a traffic pole.

Cost Calculation:

- When determining costs for a Municipality with multiple ALPR cameras across various intersections, we focus on the number of cameras attached to each Communications Box to estimate the expenses accurately. By looking at the column corresponding to the number of ALPR cameras connected to a Communications Box, a Municipality can identify the operational costs it will incur over different timeframes.

The following issue types, outlines below, prompt the completion of an **Issue Report** by your agency:

1. **Downed Traffic Pole (e.g., Motor Vehicle Accident)**
2. **ALPR Camera Damage (e.g., Criminal Mischief)**
3. **System Malfunction (e.g., Inoperable Camera)**

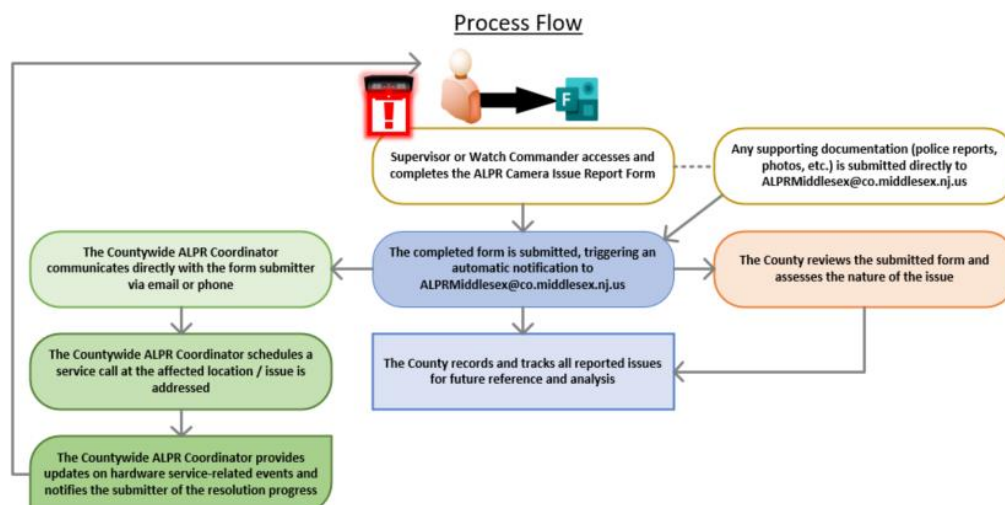

In the event of any such issue, it is imperative that a designated Supervisor or Watch Commander from your agency promptly access the [Middlesex County Automatic License Plate Reader \(ALPR\) Camera Issue Report Form](#) to initiate the reporting process. The individual completing this form should provide comprehensive details regarding the encountered issue.

Upon submission of the form, an automatic notification of the completed form is sent to ALPRMiddlesex@co.middlesex.nj.us. Subsequently, the County reviews the form, and the Countywide ALPR Coordinator schedules a service call at the affected location.
